Arastous Shuba¹, Athina Markopoulou, and Zubair Shafiq
NoMoAds: Effective and Efficient Cross-App Mobile Ad-Blocking

Abstract. Mobile advertising is a multi-billion dollar industry. However, it is often possible to block ads in an application without affecting the application's functionality. In this paper, we present NoMoAds, a mobile ad-blocking framework that leverages the network layer to deliver an estimated average gain of 4.5% in network usage and 1.5% in battery life. NoMoAds is a cross-platform framework that leverages the network layer to deliver an estimated average gain of 4.5% in network usage and 1.5% in battery life. NoMoAds is a cross-platform framework that leverages the network layer to deliver an estimated average gain of 4.5% in network usage and 1.5% in battery life.

1 Introduction

Mobile advertising represents a significant portion of the mobile ecosystem. Mobile app developers are increasingly relying on mobile advertising to monetize their applications. However, mobile advertising is often intrusive and can be blocked by users. In this paper, we present NoMoAds, a mobile ad-blocking framework that leverages the network layer to deliver an estimated average gain of 4.5% in network usage and 1.5% in battery life.

Some fragments were
transcribed from real-time replay of the
mindTV record

workshop presentations, 3rd April 2006.

Harth mendakuki, setelah memaikan Nara bermain dengan
pohon-pohonnya, ia memakluki dengan seruk.
"Tiba tiba ku yang cantik, walaupun tak seneka Rila Froya, Kila ku
tutut! Saa, Harthnya mencari pendamping, bukan mencari buang yang
bakteriawar' jawab Harth sambil menunjuk kearah jidatku.
Aku menalangnya tidak percaya. Aku langsung menalangnya dengan
maksudnya, dan berakad pengang' Harthnya.
"Yah, anak kecil. Kamu itu belum dewasa, masih bocah. Tahu apa
sah, memang jidat-pidatku singala. Lajian, tidak sopan, nunguk-nunguk
kewang yang tidak-sar'pendaku, kuuat!
Harth nyenge tidak merasa bersalah, ia langsung berlat, kapal
senamang menapak buhuku dengan petan.

THE DEMON HUNTER

"Apa?" tanya seruk.
"Saa memakluki badan, aku langsung nyenge, ketika tahu siapa
yang menapak buhuku.
"Ada sesuatu yang ingin aku bicarakan dengermu, Mya?" kata Raja
Elex.
Aku jeta langsung menalangnya. Apa yang ingin dibicarakan oleh
Raja. Apakah itu penting? Apa jangan-jangan, Raja menapakku.
"Jika memang, Raja menapakku, berarti penasaraku selama ini
terbuktikan. Aku langsung mengangguk dengan wajah yang memarah.
Raja Elex langsung berjalan mendekatiku, dan aku menyaputnya
dengan hati yang berbunga-bunga.
Mya sudah duduk berhadapan dengan Raja Elex yang begitu
manak dan sangat kuu. Walaupun sering masuk kemang' Raja
